

Winter Bead Challenge January 2025

Inspiration – Diamonds!

The second-largest diamond ever found (2,492 carats) was unearthed in Botswana at a mine owned by Canadian firm Lucara Diamond.

The August 2024 discovery is the biggest find since the 3,106 carat Cullinan diamond, found in South Africa in 1905.

Farouk Chothia - BBC News – 22 August 2024
